

We think it would be a big mistake to take away Imputation Credits nobody wants double taxing. We are self funded retirees and have lost over **[removed for privacy reasons]** from our Super account. We do not qualify for any stimulus packages handed out as we are honest so this would be the last straw we would have to go on PENSION WE HAVE NEVER BEEN A BURDEN TO SOCIETY. We are also just out of the salary cap for a Senior Health Care card.
