

* Please become part of the international implementation of the Currency Transaction Development Levy (CTDL) which would tax the trade in foreign exchange, worth \$3,200 billion daily.

* Please try to reverse the trend to lower corporate and personal income taxes, which has benefited the rich at the expense of the poor over the past decade.

* The German Government has decided to revamp its motor vehicle tax so that in future the rate depends on the amount of carbon emitted from exhausts. Please recommend negotiating a similar arrangement with the States.

* Please do more to stop wealthy Australians from using tax havens to avoid their responsibilities.
